

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary shows a severe lack of judgment. For companies who use the air waves for free, there MUST be BALANCE.

You can say, "This is the news," but the news HAS to be fair, unbiased, and objective. If you are going to show an anti-Kerry documentary, you need to show a pro-Kerry documentary. This is not about being pro-Kerry. It is about accepting responsibility.

Sinclair must accept the responsibility to serve the community. They do a great disservice, not only to the communities in which they broadcast, but also to America's hope for fair, democratic election. Please make sure Sinclair is being fair to the public. Do not let MONEY decide the fate of our country.

Thank You.
